Subject: URS Corporation – Bonding Capacity
Pollutants Solicitation #SCC060000

Dear Ms. Dull:

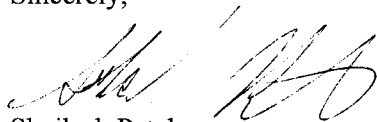

It is our understanding that URS Corporation is submitting a proposal with your office for the Arizona Assessment & Remediation of Pollutants Contract. As part of the qualification process you have requested some information regarding bonding capacity.

Please be advised that Arch Insurance Company and AIG have handled the Surety for URS Corporation and its subsidiaries for 3 years. We consider URS Corporation to be a valued client. Our investigation of the firm clearly indicates a company thoroughly versed in their field with a reputation for completing projects on schedule and with excellent workmanship.

In the event URS Corporation is awarded a project by your office, Arch and AIG will favorably entertain any performance and payment bonding required, subject to our normal underwriting criteria. We have supported URS and its subsidiaries on single projects in excess of \$30 million within an aggregate bond program of \$200 million. Currently, there is about \$85 million in aggregate bonded liability

If you have any questions, please do not hesitate to contact our office.

Sincerely,

Shailesh Patel
